The Importance of Community Engagement in Effective Transportation Planning

Tuesday, February 17, 2026 | Noon-1pm (PST)

Join the California Transit Association, in partnership with COMTO Headquarters, for a discussion on how community engagement shapes effective transportation planning. This webinar will explore best practices, challenges, and opportunities for transit agencies and transportation professionals seeking to build stronger connections with the communities they serve. Our distinguished panel of transit leaders will share their experiences and perspectives on creating accessible, community-centered approaches to transportation planning.

Participants:

- April Rai, President & CEO, COMTO
- Rashidi Barnes, CEO, Eastern Contra Costa Transit
- Kenneth A. McDonald, President & CEO, Long Beach Transit
