Cover Story

Historic Achievements

The California Transit Association is seeing significant progress this summer in its vigorous pursuit of improving mobility for Californians and its endeavor to build back better from the pandemic with historic legislative wins and the elevation of diversity, equity, and inclusion within the Association and beyond.

Featured Story

Vaccine Mandates

The COVID-19 Delta variant is more than twice as contagious as previous variants and is pushing the federal government, some state and local governments, and many companies and organizations, including public transit agencies, to enact mandatory vaccination/weekly testing protocols.

Vaccinate ALL 58
Together we can end the pandemic.

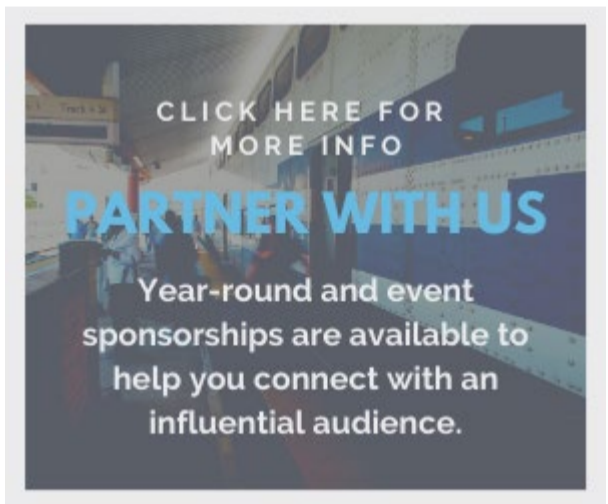

On Board With...

Commissioner Patty Monahan

California Energy Commission's Patty Monahan discusses how the CEC is supporting transit agencies with funding for zero emission vehicle refueling infrastructures, the recently-signed state budget, and the opportunity that CEC has in its research and grant-making to address social inequities.
