# TRANSIT CALIFORNIA

Issue No. 46 | February 2015

## In This Issue

March on Washington

Metro Shows Its Heart

50 Years of Leadership

## Cover Story

### Trolley Renaissance

Once the foundation of transit systems across the nation, trolleys are making a comeback. And while aesthetic designs create a sense of nostalgia, today's versions are taking advantage of the latest in clean fuel technology.

## Featured Story

### March on Washington

Continuing the momentum of last year's first Federal Lobby Day, a team of Association leaders make the case for California's transit interests through meetings and briefings on Capitol Hill.
