Cover Story

Identifying Opportunities

The Association recently released a new actions report, drafted by our Task Force on an Inclusive, Diverse, and Equitable Association, designed to influence the Association's annual work program and educational content plan, as well as contribute to the development of a healthy, effective, and vibrant public transit presence throughout California.

TO TRAINS

Featured Story

Cautious Recovery

Though masks are still required on public transit and COVID-19 spikes remain a possibility, public transit agencies throughout the state are moving from reacting to the crisis to recovery and institutionalizing what has served them well for the past 15 months.

Vaccinate ALL 58
Together we can end the pandemic.

On Board With...

Darnell Grisby, TransForm

A national thought leader in transportation policy and the mobility justice movement, Darnell Grisby shares his view on uprooting racism and oppressive systems in transportation and housing, his Commissioner role on the California Transportation Commission, and his goals as Executive Director of TransForm.
