Ridership Study Revisited

Union Station Milestone

On Board With

## Cover Story

### Bikes and Transit Celebrate

As local events demonstrate during National Bike Month public transit is a natural companion to bicycling – and at-capacity bike accommodations on transit vehicles are becoming more common throughout the year.

### Ridership Study Revisited

More than a year later, we check back with one of the authors of the UCLA Institute of Transportation Studies report that documented reasons for falling transit ridership in Southern California.
