

# AB 118 Funding for New Hybrid Trucks and Buses

Joe Calavita, California Air Resources Board  
California Transit Association Webinar  
September 28, 2010

CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY  
 Air Resources Board

# AB 118 Programs

- CEC's Alternative and Renewable Fuels and Vehicle Technology Program
  - Up to \$120M/year for clean fuels, vehicle technology, infrastructure and workforce training to address climate change
- BAR's Enhanced Fleet Mod Program
  - Up to \$30M/year for car scrap
- ARB's Air Quality Improvement Program
  - Up to \$50M/year to reduce criteria pollutants

# California's Hybrid Truck and Bus Voucher Incentive Project (HVIP)

## Overview

- \$15-40k per vehicle (~ ½ incremental cost)
- Implemented via dealers
  - Voucher amount deducted from purchase price
- First-come, first-served until funds depleted
- Vehicles must stay in CA for three years
- May be combined with federal incentives

# This Year's Successful HVIP

- \$20M for 650+ hybrid trucks and buses
  - Mostly private fleets, delivery vehicles
- Launched this February,  
now fully subscribed
- Additional funds available soon for vehicles in the South Coast Air Basin
- Implemented by Calstart and TIAX

# Additional HVIP Funds Are Coming

- \$19-25M approved by ARB in June
  - ARB to solicit HVIP Grantee this Fall
  - Vouchers available in early 2011
- Up to \$2M set aside for public fleets
